BRAGA FREIGHT SERVICES

Terms and Conditions

1. Be sure to keep this declaration form. This form acts as proof of purchase of your empty box. A charge of \$5 will apply if this form is misplaced and if a new form needs to be reissued.
2. *Do not overfill your boxes. Bulging and bulky boxes will remain on **Standby**. Boxes on Standby are segregated from all other boxes and are packed into the container last. These boxes may miss the intended shipment if they do not fit into a standard row in the container. Braga Freight Services reserves the right to place your box on Standby if it does not fit the criteria. (see image below).*
3. *Shipping illegal and/or dangerous goods such as drugs, alcohol, weapons or flammable material is against the law and strictly prohibited. Offenders will be faced with heavy fines and possible imprisonment. Braga Freight Services will not be held accountable.*
4. *You are permitted to send technical and electrical items such as phones, computers, kitchen appliances etc. If these items are found upon inspection in Macedonia, the receiver of the box may be expected to **pay customs duties**. These charges are separate to those of Braga Freight Services and are subject to change without notice by Macedonia Customs. Braga Freight Services is not liable for these charges.*
5. *Upon arrival of freight into Macedonia, all boxes are opened for inspection by Macedonian customs officials before distribution is permitted. This is as per Government legislation and Braga Freight Services holds no authority.*
6. *Shipments are expected to arrive and be distributed in Macedonia approximately three months following departure. Any further delays are due to the strict customs laws and processes in Macedonia.*
7. *To ensure your box leaves Australia on the intended date, please deliver your full box in advance and well before the last scheduled receiving day. Braga Freight Services reserves all rights to delay a shipment if the need arises. Delays will not be more than 3 weeks.*
